The institution has effectively incorporated the skill India Mission in its academic policy. The skill development of students is augmented and achieved through the institutional involvement in a number of organizations and central and state government initiatives which are formed and framed to ensure the skill development of students in higher education. The institution is a member of Confederation of Indian Industry and being a member, industry-institute relations are maintained for skill development. The institution ensures that innovation and entrepreneurship get established in students. The institution has established a Rural Entrepreneurship Development cell to identify the potential of rural entrepreneurship in Indian villages.
